

### REMARKS

Reconsideration is requested. Claims 28-72 remain pending.

The drawings have been amended to correct an error in a reference numeral used in Figure 1. In particular, numeral 18 referencing the second side surface has been changed to numeral 16. A formal drawing sheet incorporating the change is enclosed.

Claims 28-72 have been rejected for obviousness-type double patenting over claims 1, 11 and 12 of US 5,711,129 in view of Janopaul, Jr. This rejection has been avoided by the filing of the Terminal Disclaimer in the present case which causes the present claims to expire simultaneously with the claims of US 5,711,129. Applicant disagrees with the Examiner's conclusions of obviousness, but is nonetheless filing this terminal disclaimer in order to expedite allowance of this application.

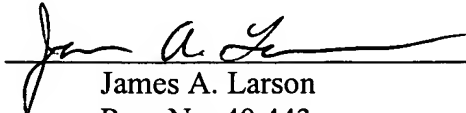

### In Conclusion

Applicant believes that the pending claims are in immediate condition for allowance. Favorable consideration is respectfully requested. If any further questions arise, the Examiner is invited to contact Applicant's representative at the number listed below.

Respectfully submitted,
